

CHEMISTRY FACULTY POSITIONS

WAYNE STATE UNIVERSITY

The Department of Chemistry at Wayne State University seeks applications for tenure-track or tenured faculty with appointment beginning in August, 2018, pending budgetary approval. The search is open to all areas of chemistry, with particular interest in analytical, biochemistry, computational, and organic chemistry. A Ph.D. in chemistry or a related field and postdoctoral experience are required. Please email the application materials to Stanislav Groysman at facultysearch@chem.wayne.edu. Additionally, you will be prompted to apply online using a link sent by Professor Groysman. Junior candidates are expected to develop a nationally recognized, externally funded research program and should submit a cover letter, curriculum vitae, a description of future research plans, statements of teaching philosophy and diversity, and three letters of recommendation. The letters of recommendation should be sent directly by email to facultysearch@chem.wayne.edu. Mid-career and senior candidates should have an established record of excellence in teaching and research and should submit an application letter, diversity statement, and curriculum vitae.

Review of applications will begin on October 1, 2017, and will continue until the positions are filled. Wayne State University is a premier, public, urban research university located in the heart of Detroit where students from all backgrounds are offered a rich, high quality education. Our deep rooted commitment to excellence, collaboration, integrity, diversity, and inclusion creates exceptional educational opportunities preparing students for success in a diverse, global society. WSU encourages applications from women, people of color, and other underrepresented people. WSU is an affirmative action/equal opportunity employer.
