

The Department of Chemistry at Wayne State University is hiring a full-time Senior Lecturer (non-tenure track) to begin in 2019. Primary duties for this position will include teaching undergraduate-level organic and general chemistry courses (lectures and laboratories). Additional responsibilities may include assistance in curriculum development, advising undergraduate chemistry majors, assistance with the Chemistry Learning Center, and/or serving as chemistry liaison to the University's Office for Teaching and Learning. A Ph.D. in chemistry or a related field is required. Candidates should submit: a) letter of interest, b) curriculum vitae, c) teaching philosophy, and d) diversity statement. In addition, please arrange for three letters of recommendation to be submitted on your behalf to facultysearch@chem.wayne.edu. Please submit your application materials merged into one pdf at jobs.wayne.edu (job posting number 043830). Review of applications will begin on October 1, 2018, and will continue until the position is filled.

Wayne State University is a premier, public, urban research university located in the heart of Detroit where students from all backgrounds are offered a rich, high quality education. Our deep-rooted commitment to excellence, collaboration, integrity, diversity, and inclusion creates exceptional educational opportunities preparing students for success in a diverse, global society. WSU encourages applications from women, people of color, and individuals from other underrepresented groups. WSU is an affirmative action/equal opportunity employer.
